ABOUT HILLSONG FOUNDATION

The Hillsong Foundation is a charitable foundation that exists to finance the outworking of Hillsong Church's vision. Through the Hillsong Foundation, Hillsong is able to partner with like-minded, non-profit organisations across the globe in an effort to bring care and justice to vulnerable groups in the name of Jesus.

The Hillsong Foundation is for anyone who would love to contribute financially, above tithes, to extend God's Kingdom in practical ways. All levels of giving are welcome. It is not about equal giving, but about equal sacrifice.

KINGDOM BUILDERS

What is a Kingdom Builder?

Kingdom Builders are the financial leaders within Hillsong Church. Everyday people with a conviction to advance the Kingdom of God on the earth through their generosity. Our Kingdom Builders make an annual commitment to contribute with a minimum of 10.000 DKK, above their tithes, each year to the Hillsong Foundation.

Being a Kingdom Builder

Kingdom Builders gather for different events throughout the year where you can meet like minded people and be inspired in your call to build the Kingdom of God. On a local level, Kingdom Builders are often leading in different areas in our church such as volunteer teams, connect groups and local gatherings at their location..

OUR HOME

BUILDING STRENGTH FOR THE FUTURE GENERATIONS

WHAT IS OUR HOME?

We are all called to build the local church. Therefore, we have the Hillsong Foundation. It is an avenue for every person who calls Hillsong HOME to practice the biblical principle of generosity by sowing financial seeds into building the church and the lives of individuals, families and their communities - both locally and globally.

We are now one church with three locations and four services. We believe that the best is yet to come for our local church communities and that your generosity will be invaluable in building and strengthening our Home. Let us not underestimate the challenge we have in front of us as we look for a long-term solution for at least one of our locations - Copenhagen. Let's continue to believe for healthy church communities, purpose filled Jesus followers

OUR NEIGHBOURS

EXTENDING OUR REACH ACROSS THE WORLD

HOW CAN WE MAKE A DIFFERENCE BEYOND OUR BORDERS?

We are passionate about extending our heart and the compassionate love of Jesus to our world. Each year, we prayerfully consider who we will partner with globally.

The power of our partnerships has always been anchored in meaningful connections to local churches. It is through the local church that our impact in communities is made holistic, meeting not only physical needs, but also the emotional and spiritual needs of those we reach.

As we move forward into the new year, we are committed to partnering with initiatives that are devoted to making a tangible and sustainable impact, building relationships, meeting needs, strengthening families and providing security and safety for the most vulnerable in communities. Whether that be through education programs in Mumbai; sports and literacy programs in Cape Town; abolishing slavery accross the globe; or supporting other key partners in reaching their communities; we will never lose sight of our vision to reach and impact the world.
