

PHENOMENA (DA DA)

Words and Music by
Aodhan King, Ben Tan, Melodie Wagner,
Aaron Hollinger & Joshua Kpozehouen

VERSE 1:

**You are the reason for life
The air inside my lungs
You've taken hold of my heart
And there's no doubting
That Your love is
Unexplainable phenomenal
And what Your grace has done
Is nothing but a miracle
So tell me how could I ever
Turn away from You
When You've always been
The Way the Life and the Truth**

CHORUS:

**You've given me a new heart
True reality
I'm living for the One who set me free
You've given me Your vision
Better than a dream
You ain't gotta wake me up
It's not a fantasy**

POST-CHORUS:

DA DA...

VERSE 2:

**My friends keep saying I've changed
I'm acting different now
They wanna know what I know
They want the Truth
And so I told them
If you're free on Friday
Come to youth with me
Leave your past right at the door
And you'll never be alone**

Right upside down
You set my feet
On higher ground
Now I'll never be the same
It's not a phase**

**And buried in the grave
I don't care what they say 'cause
I'll never be ashamed of
His love that saved me 180
The type that's never fading
So now throw up your hands
If you know Him
Then go ahead and call up your friends
'cause we out here on a Friday
Where it began
And if you owe it all to Jesus
Go do your dance**
