

NEVER FAIL

Words and Music by
Jack McGrath, Munashe Mutambiranwa,
Brendan Tan & David Ware

VERSE 1:

**This is a song for the valleys
For the harder days
Something to remind me
When I've lost my way**

**And even though it's dark right now
I know morning comes
'Cause You're the God of the promise
And what You say is done**

PRE-CHORUS:

**And in the battle
When I'm surrounded
Still my soul will hold
To all You've said**

CHORUS:

**You're my refuge and strength
My yes and amen
Put my trust in Your Name
'Cause You have never failed me yet**

**You're the breaker of chains
Defeated the grave
All my hope in Your Name
'Cause You have never failed me yet**

VERSE 2:

**This is a prayer for the desert
When the road seems long
Waiting for the promise
That is yet to come**

**And even in the wilderness
You will lead me home
Jesus You are with me
You're my only hope**

PRE-CHORUS 2:

**And in my failure
And through my weakness
Still my soul will hold
To all You've said**

BRIDGE:

**If You're not in it I don't want it
If You said it I believe it
Where You call me I will follow
'Cause You have never failed me yet**
