ALL THIS FUTURE

Words and Music by
Joel Houston

VERSE 1:

**Dark skies bright eyes
All this future
The music never died
And despite all the rumours
There's life in these bones
Best believe the best is yet to come**

**Open up the doors
Watch the tables turn
Let the bride ring in the sound
Of a brand-new world
Better let the night know
Our hope doesn't set with the sun**

CHORUS:

**The light of the world is here
Shining now in all this future
Stir up the life in these bones
Don't let the fire go cold now**

The light of the world is here

**Shining now in all this future
Stir up the life in these bones
And don't let the fire go out**

VERSE 2:

**End times headlines
All this future
Apocalypse wow
Watch the fear turn to wonder
The times will wash out
But Your Word lasts forever
So here's to the end of the world
As we know it**

**Young man old man
Don't quit dreaming
And don't go quiet now
Prophecy all you daughters
The world spins left right
But our hope runs so much higher**

BRIDGE:

**(I won't be afraid)
I see a holy horizon
As it breaks through the night
In the light of grace**

**(I won't be afraid)
I see the promise of heaven
As it gathers the skies
In the latter rain**

**(I won't be afraid)
I see the earth drenched in future
As You pour out Your Spirit
In the end of days**

**(I won't be afraid)
I see a brand-new creation
As the Kingdom awakens
The sound of praise**

VERSE 3:

**Dark skies bright eyes
All this future
The Kingdom is live
And it's all to discover
There's life in our song
Best believe the best is yet to come**

**Turn the music up
Watch the mountains fall
Let the streets ring in the sound**
