

LOCAL INITIATIVES

This year, we have a unique opportunity to meet specific needs in each of our Hillsong UK locations. Each location will focus on either "Generations" or "Welcome Home." This targeted approach allows us to invest directly in the unique needs of each location through our collective efforts to serve and uplift our local Church communities.

WELCOME HOME

We are deeply committed to creating spaces that embody a "Welcome Home" where individuals discover belonging, a relationship with Jesus, community, and purpose. Every moment, from forging friendships in the foyer to experiencing salvation during our services, is profoundly significant. By investing in specific resources and equipment, we aim to empower each location to create environments where people can encounter God and make meaningful connections with others.

GENERATIONS

We firmly believe that God is a generational God, continually working from one generation to the next. Our Church is dedicated to paving the path for people of all ages to connect with Jesus and nurture their relationship with Him. We aspire to create spaces that foster personal transformation and community engagement, equipping individuals and sparking inspiration among both the present and future generations.

Central London

Elevating our kids facilities through strategic investments in new equipment and engaging toys.

North London

Commence on a comprehensive bathroom renovation project within our building.

Southwest London

Transforming our foyer into a welcoming space with fresh signage to help connect people better, while acquiring much needed production equipment.

Southeast London

Strengthening our Youth and Kids ministries by upgrading equipment needed for vibrant Kids services and Youth nights. Additionally, making our services more accessible to people with additional needs through introducing interpretations.

Croydon

Strengthen our Youth and Kids ministries by acquiring needed resources, additionally, enhancing our service quality by investing in production equipment.

Reading

Revamping our foyer space with the introduction of fresh signage, decor, and an upgraded coffee machine.

Kent

Introducing a new design and installation to revitalise our coffee bar area.

Guildford

Strengthening our services by acquiring much-needed production equipment and musical instruments.

Oxford

Enriching our youth nights by securing an ideal venue for our activities.

Birmingham

Elevating our foyer space and services with the introduction of a coffee machine and investing into upgrading our production equipment.

Liverpool

Enriching the experience for our Youth by investing in a diverse range of equipment and engaging toys for our Kids ministries.

Newcastle

Establishing a local outreach hub with a Community Grocery, clothing bank, and comprehensive wraparound care services.

Edinburgh

Upgrading our Kids and Youth facilities through investment in new equipment and toys. Additionally, establishing and furnishing a family room.
