CHARACTER, LEADERSHIP & THEOLOGY

HELLO FROM TIM & NICOLA

Hey there,

We're so excited you are considering applying to FORMA Hillsong Ministry School for 2026!

There comes a moment when you know you are being called to go deeper. To invest in your growth, to stretch your faith, and to step into all God has placed within you. This School has been designed to create that very space for you!

Whether you choose the Biblical Studies or the Leadership Track, you will learn principles that will help you form lifelong practices, becoming a whole and healthier disciple of Christ, equipped to serve His Church with greater strength and confidence.

This is not just about study and practical experience — it's about transformation (hence the school's name FORMA), and as part of the school community, you'll journey alongside like-minded people, building friendships that sharpen and encourage you.

By applying, you're choosing to invest in the potential that is within you. If you're hungry to grow, ready to be stretched, and willing to learn, then we would love to see you as part of the 2026 school community.

WHY FORMA?

The word “Forma” originates from the Latin word “fōrma,” meaning to shape and structure.

Throughout Scripture, we see that God is not merely interested in what we know, but in who we are becoming.

“Do not conform to the pattern of this world but be transformed by the renewing of your mind.” – Romans 12:2

At FORMA, you won’t just study Scripture — you’ll be shaped by it. You won’t just explore calling, you’ll be formed for it.

Because we believe that who you become in Christ is the foundation of everything you do for Christ.

Some may be called to preach, some to serve behind the scenes, others to influence in business, education, or the arts. Whatever the context, formation comes first.

**DO NOT
CONFORM
TO THE
Pattern
OF
THIS WORLD
BUT BE TRANSFORMED
BY THE
Renewing
OF YOUR
MIND**

TWO TRACKS ONE SCHOOL

There are two tracks to choose from in 2026

01 BIBLICAL STUDIES

02 LEADERSHIP

Both tracks have been designed to ensure students who may also be working full-time have the time to engage with school and studies.

All live online sessions are held on Wednesday evenings at 8pm (see page 7 for 2026 dates), and additional sessions are available on demand to learn at your own pace.

For both tracks, there are two national in-person days held in London: Induction and Chapel, and for those applying to leadership, two additional dates are included and provided in advance so you can plan ahead.

We have provided you with an average weekly commitment for both tracks so you can choose which track works best for you, and to what level you wish to study.

This is the average weekly time we estimate you will spend as a student at school, taking into account in-person days, online sessions, and recommended personal study time.

Written assignment

During the summer, all students will be given an extended writing assignment to complete based on one of the topics they have studied, and feedback will be provided.

FAQs

Q. WHAT COURSE IS RIGHT FOR ME?

The Biblical Studies Track is ideal for those who desire to grow and deepen their understanding of the scriptures. It also offers the most flexible school experience, with fewer in-person days and more on-demand sessions available to learn at your own pace.

The Leadership Track would suit any individual who currently holds leadership responsibility within their church or workplace or aspires to do so.

With hands-on ministry experience included in this track, those who complete the Leadership Track are better equipped to carry responsibility and lead with integrity, both in their personal walk and in serving others.

Q. CAN I DO A SECOND YEAR?

Yes, as this is our first year of FORMA, 2027 will be slightly different, and we would love you to return for a second year. You will experience different content and contributors, and if you wish, switch tracks.

We strongly encourage those who are discerning church leadership and church planting to consider doing a second year on the leadership track.

For those who wish to pursue more formal theological studies, you can explore Hillsong College Online at hillsong.com/college

Q. WHO WILL BE DELIVERING SESSIONS?

Alongside our national Hillsong UK leaders, we will be bringing a selection of incredible teachers and thinkers to contribute. During our first year, most of our sessions will be ‘in-house’ from the UK and Hillsong College.

Q. WHAT HAPPENS AFTER I’VE COMPLETED FORMA?

We hope you have the best time while at FORMA and look forward to seeing all students put everything they have learned into practice, either through building lifelong personal study patterns or leading with integrity in your church or workplace.

If FORMA has helped you discern your decision to pursue full-time vocational ministry, we want to help you as much as we can.

Q. WHAT IF I CAN’T PAY MY FEES IN FULL BY JANUARY 31ST 2026?

We have been mindful of keeping the costs of FORMA at an affordable rate; therefore, unfortunately, we cannot offer financial aid or additional discounts.

If you would like to defer your application to 2027, we can offer you an alumni code in advance,

which will reduce the standard fee for 2027 by £60. From there you can opt to pay via three instalments for 2027 when applications open early 2026.

Q. I AM NOT BASED IN THE UK, CAN I APPLY TO FORMA?

Depending on the country you are based in, it may be possible. To discuss this further, contact us at school@hillsong.co.uk

Q. I HAVE A QUESTION THAT ISN’T LISTED HERE

You can get in touch with us at school@hillsong.co.uk

HELLO FROM MARIE

Thank you for taking the time to review the FORMA student prospectus.

As we began to structure and shape what this school would look like, it became incredibly clear that FORMA would become a unique offering.

Throughout the UK and Europe, and across all denominations, we are seeing an increasing number of churches supported and led by volunteers. Church leaders and Bible teachers emerge from every sphere of society, not just through traditional ministry training pathways.

We're also seeing an increased desire to learn the scriptures. People seeking out the voice of God for themselves through the Word of God, rather than settling for second-hand understanding.

Therefore, creating a school that offered flexibility and a balance of time was key. Learning at your own pace quickly became a core value for FORMA.

In addition, one other core value is personal study and development. We truly long to see lifelong practices form in all our students so that they become whole and healthy disciples of Christ. We have created a variety of pathways for students to stretch themselves outside of the core curriculum, to learn, grow and explore the call from Christ on their life in their own time.

With a sharp focus on training leaders and Bible understanding disciples, I believe the way we have structured and shaped FORMA, will serve and shape you in who you are becoming.

I look forward to receiving your application and welcoming you to FORMA 2026.
