NEW FRONTIER MISSIONS I

AFRICA: A NEW FRONTIER FOR JESUS

Every year, we as a church family come together for our annual ***Heart for the House*** offering. This is a special opportunity to bring our best gifts to God, believing to see Him use our generosity in miraculous ways to expand His Kingdom. In the past, we have seen God do the impossible year-in and year-out through this offering, and this year, we are stepping into new territory. A FRONTIER OF FAITH. We have several incredible God-opportunities before us, including a new location in South Kansas City, a future House of Hope community space & distribution hub, and larger-scale global mission initiatives reaching new continents with the Gospel of Jesus. Thank you for prayerfully considering your part to play as we build God's glorious church in the next year.

Love,
Kyle + Liz Turner

GOD IS BUILDING A HOME. HE'S USING US ALL — IRRESPECTIVE OF HOW WE GOT HERE — IN WHAT HE IS BUILDING. HE USED THE APOSTLES AND PROPHETS FOR THE FOUNDATION. NOW HE'S USING YOU, FITTING YOU IN BRICK BY BRICK, STONE BY STONE, **WITH CHRIST JESUS AS THE CORNERSTONE** THAT HOLDS ALL THE PARTS TOGETHER. WE SEE IT TAKING SHAPE DAY AFTER DAY — A HOLY TEMPLE BUILT BY GOD, ALL OF US BUILT INTO IT, A TEMPLE IN WHICH GOD IS QUITE AT HOME. — EPHESIANS 2:19-22 (THE MESSAGE)

This year, we have an opportunity to help take the Gospel of Jesus to new frontiers our church has never been to before. Through God-ordained partnership, we will be serving the people that need it most in East & West Africa and in Haiti.

Over the next year, we will provide resources to build a 15-acre community center in East Africa where people of all ages will receive food, clean water, job training, and discipleship through sports training and church planting. This is truly a unique opportunity God has opened for our church, and through our giving, we will be bringing the hope of Jesus to people who have never experienced the power of the local church before.

NEW FRONTIER MISSIONS II

AFGHANISTAN: A HOPE-FILLED FUTURE

In August of this year, the Taliban regime forcefully took command in Afghanistan. Many were filled with fear and uncertainty as their home was invaded and their freedom was threatened, but as a church, we were ready with a response. Our immediate generosity created an opportunity for 51 Afghanis to flee the country and become refugees in the United States.

Their freedom is a miraculous answer to prayer, but it is not the end of their story. They now are rebuilding their lives in America, connecting to communities that love and care for them, receiving education and becoming educators themselves, and ultimately finding a new purpose as they come alive to Jesus. The faithfulness of our church has led them to safety, and now moving forward, our continued generosity will help lead them along God's path for their future.

REFRESH BEFORE BUILD

We have an opportunity before us that is truly miraculous – the chance to acquire another space to proclaim the message of Jesus, another place to Welcome Home those in need of hope and healing, another room to influence the future of the faith in KC. By year's end, we will be purchasing a new building to open wide the doors of our church to a new part of our city in 2022! This new home near 135th and State Line Rd will be our greatest yet, including a world-class Hillsong Kids space, a beautiful auditorium with the capability to broadcast the message of Jesus around the world, and a future hub and distribution center for House of Hope. Church family, this is not just a building opportunity, this is a Kingdom opportunity that will bring a revival of lives changed, families rebuilt, and hope restored for generations to come! ***This is our new frontier right here in Kansas City.***
