

WELCOME TO

Welcome to Hillsong Kids!

Hillsong Kids is home for your family and where you and your kids can find belonging and connection! We want to partner with you to help your child grow in their relationship with Jesus.

Our vision for Hillsong Kids is the same as Hillsong Church: To build a healthy Kids ministry - changing kid's lives through Christ.

Our desire is to provide a safe place for children to experience the love of God and the presence of Jesus, to make great friends, and have fun!

Through games, songs, and all kinds of activities, we will be teaching God's Word and encouraging them to dream BIG as they embrace the life God has for them.

Our heart is to see 3 connections for your kids: that your kids will connect with other kids and make friends, connect with leaders and have awesome role models, and most important of all, connect with Jesus.

A- Age Groups

PARENTING ROOM

For your convenience & enjoyment during the weekend services, parenting rooms are available for parents with newborn babies to 12 months old. The parenting room has a screen for you to view and participate in all parts of the service including communion, offering and prayer requests. Nappy changing facilities are also available.

EARLY CHILDHOOD

A fun loving & interactive program for our 2 -5 years. Your child is a treasure from heaven & we delight in teaching them the Word of God! Your child will begin to learn about their relationship with God in ways that are simple, creative & fun!

PRIMARY

For children in Grade R - Grade 4 at school. This is an action-packed program where children will be involved in inspirational praise & worship, KDG'S (Kids Discipleship Group), interactive games & activities, as well as Bible stories & teaching. This is a great place for children to develop healthy friendships in a fun & safe environment.

VOLTAGE

For students in Grade 5 & 6 at school. In Voltage, students will make great friendships as they grow as leaders & have opportunity to serve alongside our team.

B - Birthdays

We love to celebrate birthdays. If your child is having a birthday during the week please let our Check In team know so we can celebrate with them.

C - Check In

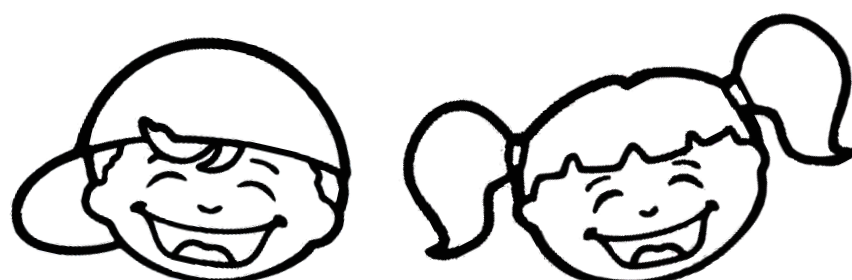

Every child must be signed in at our Check In Desk, where they will receive a name tag which has their name and a number allocated to your specific family for that service. Parents/carers will receive a pick up card with that same number on it. Parents/carers must present this Pick Up card when entering the program and pick up their child/ren. This helps to ensure the safety of the children; you will not be able to collect your child without this Pick Up card. Please also inform the Check In team if your child has any additional needs or allergies so we can make sure they have the best care while in our programs.

D- Dedications

Once a month we have a special morning service where parents can bring their little ones to be dedicated to the Lord. As a church community we promise to stand alongside your family, praying for you & encouraging you as you raise them up in God's House. For more information please see the information Desk in the Main foyer or hop on to [//hillsong.com/southafrica/baby-dedications/](http://hillsong.com/southafrica/baby-dedications/) to register.

E - Equip Nights

Hillsong Church is committed to making disciples, raising leaders & seeing people healthy in spirit, soul & body. All of our courses are designed to help you grow & flourish in every season of life. Visit the information desk in the main foyer for more information or sign up at [//hillsong.com/southafrica/equip/](http://hillsong.com/southafrica/equip/)

F - Friendship

We believe that children will make great long-lasting friendships in Hillsong Kids & this is encouraged through Hangtime in our Primary age program & free play within the Early Childhood rooms. So be sure to arrive a few minutes before the service starts so they can hang out with their friends. Children are also encouraged to participate in small groups where they can discuss the day's lesson, encourage & pray for each other.

G- Groups

One way to connect with families in our church or meet new people is to join one of our groups that meet weekly/bi-weekly. We have a variety of groups that meet midweek where you can bring your little one along & connect around God's word. For more information please go to our website: hillsong.co.za

H- Health Policy & Allergies

We would like to provide your children with a healthy environment, so if you observe any symptoms of an ill nature, we kindly ask that you do not put your child in the children's program that day. If your child has any allergies please inform the Team Leader of their program when dropping off.

JLP –Junior Leadership Program

The Hillsong Kids Junior Leadership Program is our leadership development program for our kids at church. We believe in equipping the next generation to be leaders in all walks of life. In the Junior Leadership Program the kids will learn to stand out and be a great leader, as well as have an opportunity to serve alongside our Hillsong Kids team in building God's House... The CHURCH!!! To get involved ask your local Kids Oversight for more details.

K- Kids Discipleship Groups (KDG'S)

During our Hillsong Kids program we make time to come together in a small group & unpack the lesson by discussing questions around the topic. This is also a great opportunity for kids to share what happens in their lives. The group encourages & prays for one another & real friendships are formed. Feel free to ask your child about the lesson by using the activity sheet as a guide to further help them understand what has been discussed.

L – Leaders

All our Hillsong Kids leaders are passionate about serving the next generation and are required to undergo a screening process and interview before they join the team. For more information on our Child Safe policies & procedures, please ask one of our team or email us on hillsongkids@hillsong.co.za - If you would like to become involved in our Kids ministry even if you are able to help once a month in any of our Kids areas (serving in the program/Check In Team/ Parent Room Host), please visit our website and follow the prompts to join a volunteer team.

M - Music

Hillsong Kids Praise & Worship albums are a great way to introduce your children to worshipping God, these resources are available for purchase at your nearest Christian Bookstore.

N - New Families

We understand that as a new family you might feel overwhelmed & unfamiliar with our programs so we have an amazing Check In Team who will help you sign in & show your family to the Kids program. We would also love to connect with you & your family so please ask the Check In Team how you can join your locations Whatsapp group!

O- Online Services

If you are unable to make it to in-person services- our HSK Team have got you covered. Each week our team present an online experience including a lesson, praise and worship and Big Word for both our Early Childhood and Primary kids. You can catch up midweek on anything you've missed by visiting our Hillsong Africa YouTube page.

P – Program

A Hillsong Kids service is filled with lots of elements that are all designed to help your child connect with other kids, leaders, and Jesus.

HANG TIME

We love to have FUN at Hillsong Kids! Hang time is a great opportunity for your child to make friends, hang out with leaders, and have fun with a variety of activities. But we don't stop there..

PRAISE AND WORSHIP

Praise and worship in children's ministry is powerful. Psalm 8:2 says that the praises of children silence the enemy. All of our services include a chance for children to enter into the presence of the Holy Spirit through praise and worship and encounter Him in moments they will never forget.

ASK GOD/THANK YOU GOD

Ask God/Thank you God are what we call our prayer requests and praise reports. We believe in teaching children how to pray, especially together as a church. We love to give them a chance to stir their faith.

OFFERING

We aim to teach children about tithing and generosity and bringing their best to God from a young age.

TEACHING

Our teaching revolves around the

Big Idea: The topic for each lesson

Big Point: The key learning outcome for each Big Idea.

Big Word: Bible memory verse

S - Safety

Your child's safety is our main concern. We therefore take great care in screening our volunteers through a background check and interview process. We also encourage behaviour from the children that will not impede on their safety. If anyone other than you must pick up your child from our program they must have the pick up card with correlating number that has been given.

T - Treasure Chest (available at some locations)

Treasure Chest is the Additional Needs Ministry of Hillsong Church for children with diagnosed disabilities or special learning needs and their families. We take great care in presenting Jesus in a way that is fun and relevant to their individual needs so that every child can find their place, feel valued, and call Hillsong home. We want to make it possible and easy for the whole family to come to church together!
