

Prayer makes a way...

"I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people..."
1 Timothy 2:1 (NIV)

Pray for...

- Your neighbourhood and wider community.
- The mental and physical health of those affected by DFV and homelessness.
- The case workers – both an increase in numbers, and more competent case workers.
- Favour for those affected by DFV or Homelessness:
 - For job opportunities for people emerging from DFV situations that fit in with children's care needs.
 - For housing and accommodation options; both for victims of homelessness and victims of DFV setting up a new home for the first time.
 - For those needing help with visa issues – such as victims of DFV who are alone and isolated in a foreign country.
 - For favour with legal issues, judges and in family law courts.

Pray that...

- You would be a safe place for people, the kind of person that people feel comfortable talking to.
- Your eyes would be opened to the needs of people in your circle.
