

SISTERHOOD

Set apart for Kingdom purpose | A community to belong | A movement to serve | A gathering to grow

This five-day devotional has been created to prepare the hearts of every girl coming to Sisterhood ONE DAY – drawing each girl closer to God, stirring her faith, and readying her to hear His voice, receive His Word, and step boldly into all He has for her.

WHAT IS A DEVOTIONAL?

A devotional is a written tool that can form an integral part of a daily rhythm of setting aside time with God, opening His Word, reflecting on His truth, and allowing the Holy Spirit to shape our hearts. It's not about ticking a box, but about creating space in the busyness of life to pause, listen, and draw closer to Jesus.

Through Scripture, thought, reflection, a step of action, and a prayer, a devotional helps us build consistency in our walk with God, strengthens our faith, and reminds us that we don't journey alone.

For Sisterhood, a devotional like this carries a special significance.

As we prepare for this conference, these moments with God help us align our hearts, encourage one another, and step into the event with expectation. Reading the Word together – across homes, cities, and generations – unites us before we even gather in the same room. It prepares the soil of our hearts so that when we come together at Sisterhood ONE DAY, we are ready: ready to worship, ready to receive, and ready to take another step of faith.

HOW HAS THIS DEVOTIONAL BEEN CRAFTED?

The following were prayerfully considered in shaping the five days:

Day 1: Promo video scripture – Song of Songs 2:10–13 (NIV)

Day 2: Website welcome message from Lucinda – Psalm 84:10 (NKJV)

Day 3: Lucinda's conference message introduction – 1 Peter 2:9 (NIV)

Day 4: Sisterhood Declaration

Day 5: Mission Sunday message by Phil, with key scriptures linking to Lucinda's message and theme
– *Take Another Step By Faith* – Joshua 1:7–9 (NIV) and 2 Corinthians 5:7 (NKJV)

DEVOTE

Devotion is so much more than a word on a page in our walk with Jesus.

It is the posture of a heart in love. It is the steady flame of loyalty that burns when we choose Him daily, and the joy that rises when we remember that He first chose us.

We offer not just moments to God, here and there, but we devote ourselves to Him with the best of our time, our attention and our affection. It is turning our face toward Him in every single season, saying “Lord, I am Yours. I give You all that I am.”

This is why devotion matters. **It draws us close to the One who calls us beloved.** It fills not only the moments but the days with His presence, reshaping ordinary moments into sacred ones.

And as we prepare for Sisterhood ONE DAY, devotion becomes our shared language – thousands of women setting their hearts on Jesus, together – so that when we gather, our worship is already overflowing.

As you step into daily carved-out moments, whether it be in your room, in your car, while making dinner, or waiting to pick up your children from school, we pray that with this Sisterhood Devotional you would encounter Jesus afresh. That your heart and spirit would already be steady for what God wants to accomplish in your life.

He is ready to meet with you.

HOW TO USE THIS DEVOTIONAL

This five-day devotional has been created to help prepare your heart for Sisterhood ONE DAY. Each day includes a Scripture, thought, reflection, an action step, and a prayer.

Set aside a few quiet minutes each day – morning, evening, or whenever works best – to pause, open God’s Word, and invite the Holy Spirit to speak. Write down your reflections, prayers, or what you sense God saying.

As we journey together across these five days, we believe God will draw you closer to Him, strengthen your faith, and stir your heart with fresh courage. When we gather at Sisterhood ONE DAY, our hearts will already be full of expectation: ready to worship, ready to receive, and ready to take another step by faith.
