

Girls On MISSION

March

During this month ask God to reveal who you could pray for and reach out to in the lead up to Easter.

April

This month – make it a goal to know all of your neighbours by their first name. If you already do, find out something new about them. And pray for them by name over April, who knows the miracle's sparked in you neighborhood.

May

Bring a treat for morning tea to – your colleagues at work, mum's at school drop off, teachers at your school, the local police or fire station.

June

Schedule a bake night and drop something to a neighbour with an encouraging note.

July

Write a note to a teacher, a coach, or perhaps a colleague – to express your gratitude. You never know what they are going through and how your encouragement might be the strength they need.

August

Random Acts of Kindness – pay for a strangers coffee in the line behind you, bless someone with a grocery voucher, drop off some chocolates to the school staff.

September

Look for opportunities to bring encouragement to someone during a conversation each day this month. Be intentional and thoughtful with our words, 'seasoned with salt' in our language (Colossians 4:6), building people up with our conversations.

October

Think pink this October. Pink Month is Breast Cancer Awareness Month, why not participate in a breast cancer event and look for ways to support someone in your world experiencing an ongoing health journey.

November

Take time to donate this month – you could donate blood, food items to a food bank, sanitary items to a DFV refuge, or perhaps simply donate your time to a mum in your church community who is doing it tough.

December

Look for opportunities to bless those who may be isolated this Christmas season – donate in a Christmas appeal, include those who may not have anywhere to go for Christmas.

January

Visit a nursing home or a retirement village and spend time talking to the elderly. Perhaps you have an elderly neighbor who needs some help around their house – take the time to help, ask questions and listen.

February

How fun is receiving a handwritten note in the mail? Maybe you've met a new friend at Sisterhood Conference? Why not handwrite notes of encouragement and post them. Let's post love and start a letter writing revolution!
