

HILLSONG CHURCH GLOBAL

MISSION IMPACT

MID-YEAR UPDATE

JUNE 2024

A LETTER FROM PHIL & LUCINDA

GLOBAL SENIOR PASTORS

Dear Church,

As we entered into 2024, we sensed a new season and era for Hillsong Church. Reflecting on our past communications, while we previously shared quarterly updates with you, we are embracing a new rhythm by introducing a bi-annual leadership report, called Mission Impact. As the name suggests, our aim with this report is to both inspire and inform you about the impact of our mission and provide essential updates.

We are more faith-filled, focused, and passionate than ever about our vision, which is to build a healthy church changing lives through Christ. We are not doing this in our own strength but through the grace of our Lord Jesus Christ growing stronger together and bringing glory to God our Father. At Mission Sunday in February, we felt to encourage our church to seek after a fresh awakening of God's presence that will empower each of us to accomplish great things together. Filled with the Holy Spirit we each have a significant part to play in establishing His kingdom here on earth. It is with grateful hearts that we present this update to you, our beautiful church! Personally we have been overwhelmed by your kindness, your prayers, your words of encouragement, and your heartfelt commitment to serve Jesus.

The pages that follow reflect the significance of Mission Sunday, offer insights into our new Global Support framework, and share updates from each of our mission pillars. Towards the conclusion of this report, our Chair and Board will provide an overview of their progress.

It was encouraging to see people of all ages make a public declaration of their faith in Jesus, particularly on Easter Sunday. We heard an amazing story of a man in his sixties who knew of God but only recently began regularly attending our church, a Business Connect Group, and has also started serving. It was fantastic to see him decide to follow in the footsteps of Jesus and be water baptised on Easter Sunday. His family and friends were all there to watch and celebrate this significant step of faith! This is just one story of a life transformed by Jesus Christ among many others across our church community.

A LETTER FROM PHIL & LUCINDA – CONT.

We are pleased to share the encouraging news of our church's healthy growth. Over the past year, our church attendance globally continued to grow, with our average weekend attendance up by 20% from the previous year. What's even more incredible is the evident work of God among us; in 2023 alone, we witnessed across our services 77,875 individual decisions to follow Jesus, representing a 31% increase from the previous year. It's hard to put into words how grateful we are for the faithfulness of God to build His church in what at times has been a very challenging season.

With our key team we've started to dream about the future, and we have a particular focus on the next generation. Our church is a generational church and we love seeing the generations worshipping Jesus and serving together, everyone of us have a purpose and part to play in building our church. As Hebrews 11:1 reminds us, *"Now faith is confidence in what we hope for and assurance about what we do not see."* (NIV)

As you read this report, we hope that you feel a real sense of ownership of the many good news stories of health and impact that are taking place within our local campus communities around the world. This report is named 'Mission Impact' to emphasise the significance of our collective efforts. Again to our church family, we say a big thank you for not growing weary in doing good, for living generously, and for faithfully sowing into the vision and mission of our church. Together, let us persist in our prayers and service, continuing to believe for the Holy Spirit to awaken our church and to lead us forward!

We extend our deepest appreciation to our Global Board and Spiritual Advisory Team for their continued support as we navigate the challenges and opportunities that lie ahead in leading our church onward.

May God continue to bless and refresh our church, our staff, our team of volunteers, and each one of you as we serve Him together.

Phil and Lucinda
Global Senior Pastors

“With our key team we’ve started to dream about the future, and we have a particular focus on the next generation.”

MISSION SUNDAY RECAP

18 FEBRUARY 2024

Reflecting on the journey that brought us to this point, Pastor Phil reminded the church of the importance of passionately carrying the mission and recognising “we need each other” in the service of God’s call.

The transition from Vision Sunday to Mission Sunday represents more than just a change in title; it represents a shift in focus towards proactive engagement and personal devotion to Christ. Phil shared, “The focus of Mission Sunday is not just what we are doing but who we are becoming.” Phil again outlined the strategic pillars that underpin this mission-driven approach:

- Building healthy church communities
- Developing purpose-filled Jesus followers
- Creating significant and sustainable social impact

Drawing from Luke 5:37 (NIV), “*And no one pours new wine into old wineskins. Otherwise, the new*

wine will burst the skins; the wine will run out and the wineskins will be ruined. No, new wine must be poured into new wineskins”, Phil drew the comparison of new wine needing new wineskins, asking, “Will we handle the new thing God desires to do?”

Central to this renewed vision is the call to embody the mission of Jesus Christ in every aspect of life. From local initiatives to global outreach efforts, Hillsong desires to be a beacon of hope and transformation in a world hungry for authenticity and compassion.

In many ways, Hillsong Mission Sunday 2024 served as a testament to the unwavering commitment of its leadership and the passion of its people to make a difference in the world.

AN UPDATE FROM TOLU BADDERS

GLOBAL CHIEF OPERATING OFFICER

As we establish and develop the **Global Support Framework**, our objective is to structure and implement changes that will enable us to achieve our mission, grow sustainably, equip our Lead Pastors and facilitate a healthy leadership culture, whilst also ensuring effective accountability.

The framework (outlined below) includes the components of accountability, care, development and resources. The aim is to help empower our Lead Pastors to fulfil their roles, lead effectively,

and build healthy churches changing lives through Christ.

This framework was shared with our Lead Pastors at our gathering in Portugal late last year, where we spent time discussing our shared values. We have now formed a working group dedicated to devising global behavioural standards that will align with our core values as part of establishing our desired culture.

REFUGEE RESPONSE PROJECTS

HILLSONG UK

Our Refugee Response projects at Hillsong UK are dedicated to supporting those who are displaced and new to the country. Our initiatives are designed to offer practical support, foster valuable social connections, and create a sense of community and belonging for refugees and asylum seekers who have had to flee their own countries. We are pleased to highlight two specific programs making a significant impact in supporting refugees and asylum seekers in the UK.

REFUGEE RESETTLEMENT

8 families resettled from Syria and Afghanistan

Through the Community Sponsorship Scheme of the UK Government, our Hillsong UK, have been able to resettle 8 families from Syria and Afghanistan in recent years. The aim of the programme is to help them with setting up life and a home in the UK. For each family we have provided support in accessing statutory services, connecting with local communities, and navigating a new country and culture. In the last year, our primary focus has been on helping families move on to new housing and secure employment.

ASYLUM SEEKER SUPPORT

1,000 people supported through clothing bank

For the last few years, we have been working with those seeking asylum in the UK, providing practical support and social activities. Every Monday, we run our 'Community Café' with Holy Trinity Brompton (HTB) Church in West London for 80-100 asylum-seeking guests. The Café provides a welcoming space where guests can practise their conversational English, receive a meal, and find other support such as haircuts. In addition to this we run weekly English Classes to develop writing, reading and grammar skills, plus we have been able to support around 1,000 people through our clothing bank in 2023.

A LETTER FROM DR STEPHEN CROUCH

GLOBAL BOARD CHAIR

Dear Church,

It's my joy to provide an update to our Church! I am constantly inspired by our passionate Church, committed to seeking God's kingdom first. Jesus describes His kingdom in Matthew 5:14 (NIV), "*You are the light of the world, a city on a hill that cannot be hidden.*"

We have witnessed significant growth, particularly evident in our recent Easter services. Across Australia and globally, we have seen an increase in attendance and salvations, a testament to the life-changing work of Jesus Christ within our midst. Even more encouraging are your selfless acts of kindness and service on display.

Our prayers and thoughts are constantly with our churches in Kyiv, Moscow, and Tel Aviv. The people of our churches in these cities are strong and bold in Christ, but their everyday lives can be confronted with conflict and sorrow. We continually pray for God's divine intervention and peace.

On behalf of our board, I would like to express our confidence in Pastors Phil and Lucinda. They have led us through difficult times with clarity, poise, and love. They have patiently formed an energetic key support team charged with leading and serving our Church.

Hillsong Church, we will continue to speak graciously of the **redemption** of Jesus, to speak enthusiastically of His **resurrection**, and to speak with clarity the **revelation** of Jesus.

Thank you for your support and faithfulness.

Dr Stephen Crouch
Global Board Chair
